ELP will have four Pre-K class options for the upcoming 2024-2025 school year. We have added a bundle option for the Thursday/Friday Prek & STEAM. This option will give families an additional option of 3 days at school within the same price range.

**Please rank your choices of Pre-K classes**

While order of registration is strongly considered, ELP does have additional factors that can affect class placement. ELP will send out class placement by Wednesday 2/21/2024.

STEAM is a class available to all Pre-K and Transition Kinder students up to 16 students per class. Once a STEAM class is filled ELP will wait list any other interested students. It is a supplemental class to help support kindergarten readiness. If you would like to learn more information, or schedule a tour of STEAM please stop by the front office.

**STEAM Class:**

**Monday STEAM class will comprise of Thursday/Friday Pre-K and Transition kinder classes**

**Friday STEAM class will comprise of Monday/Tuesday/Wednesday & Tuesday/Wednesday/Thursday Pre-K classes**

For the upcoming 2024-25 school year ELP will offer a Monday enrichment class for students who are in **kindergarten or first grade**. It is not for students in Pre-K or transition kinder. This class can be a great additional resource for families who are homeschooling or enrolled in a hybrid school program. Students will enjoy a day of learning and socialization in an ELP classroom. Hours will be Monday from 9-1, with school closed for CISD breaks.

Registration fees will be sent through square invoice on June 1<sup>st</sup>. In the event that we do not have a minimum of 8 students enrolled by this time we will have to cancel the class.

Please see flyer for additional details on what to expect with the Monday class.
